

GOOD HOST MODE

Everyone can share ideas

Everyone can build and create

Listen when someone has an idea

Work out decisions together

Make room for other players

BOSSY BOSS MODE

RESET

"It's MY World, I can do anything I want!"

"It's MY World, I can change the rules!"

"It's MY World, I will kick you out!"

"It's MY World, you're doing that wrong!"

A GREAT HOST

Listens to other players

Lets people add their ideas

Shares control

Can compromise

Protects everyone's builds

Helps everyone have fun

REMEMBER

You can *host* a **Minecraft World**
without *controlling* everything and everyone in it

CAN I JOIN?

When you're **happy** for another player to join your **Minecraft World**, say...

YES!

and offer the join code.

BOSSY BOSS MODE

Saying "No" to be mean

Ignoring someones request to join

Ganging up on one player or players

RESET

CAN I JOIN?

When you don't want other people joining your **Minecraft World** just yet, say...

- ✓ “**Yes** - when we finish this build”
- ✓ “**Not yet** - we're in the middle of a game”
- ✓ “**Sure** - are you ok with the rules?”

REMEMBER

When you're playing **Minecraft** you don't *have* to play in a **World** with other people, but you *do* have to be kind and play fair

CREATE TOGETHER - PLAY TOGETHER

RULES

WHO MAKES THE RULES?

Some **Rules** are made by Minecraft

Some **Rules** are made by Katikati Library

Some **Rules** are made by the players

Some **Rules** are my own ideas

When we disagree on the **Rules**, think...

IS THIS A REAL
RULE OR MY
OWN IDEA?

REMEMBER

When you're playing **Minecraft**
other players can have great ideas too!

KATIKATI LIBRARY MINECRAFT CLUB

RULES

WHEN WE DISAGREE ON THE RULES

Stop

Listen

Share ideas

Find a solution
and say...

“Could we try **both** ideas?”

“What do **you** think?”

“We can do it **your way** this time.”

“Let’s ask Tracy.”
